

This document has been modeled on the information about the Maryland Motor Vehicle Administration's Experienced Rider Course (ERC). This document contains the policies of Harley-Davidson/ Buell of Baltimore's Rider's Edge training facility, however, MVA's full policies can be found at their website.

## SKILLED RIDER COURSE (SRC)

This seven-hour course is for the licensed motorcyclist who wants to improve or refresh their skills. Instruction is provided by Instructors who have been certified by Motor Vehicle Administration, Motorcycle Safety Foundation, and The Harley-Davidson Motor Company Rider's Edge Program. Individuals enrolling in this course must have a valid motorcycle license.

The course begins with some classroom work and a safety inspection of your motorcycle before heading to the range. During the initial riding activities, each rider's ability to operate a motorcycle will be evaluated by the instructors. **Riders that cannot demonstrate minimum riding proficiency will not be allowed to continue and will need to consider enrolling in the [New Rider Course](#).** Riders who are not allowed to continue will not be eligible for a refund, however, if the rider wishes to enroll in the [New Rider Course](#) will be responsible for the additional tuition at time of enrollment.

Riders are expected to use their own motorcycle. Personal motorcycles must be street legal, in good operating condition and pass a routine pre-ride check given as a part of the course. Riders are to provide their own riding gear, which includes a DOT certified helmet, eye protection, jacket, full-fingered gloves, long pants and sturdy over-the-ankle footwear.

To complete the course riders must pass a skill test administered at the end of the course. Riders who pass will receive a Maryland Motorcycle Safety Program Completion Card.

### General Information

- Participants are expected to ride their own motorcycles. Motorcycles with sidecars, trikes or scooters may not be used.
- Course participants are required to report to the scheduled session regardless of the weather.
- The course is conducted under the authority of the Maryland Motor Vehicle Administration and meets or exceeds the standards established by the National Motorcycle Safety Foundation.

### Student Requirements

- Must be a licensed motorcycle operator.
- Be prepared to present proof of insurance and registration upon reporting to class.
- Wear protective clothing (eye protection, suitable jacket, long pants, full-fingered gloves, and over-the-ankle footwear) during the riding portion. Participants are required to bring their own helmets. All helmets must be DOT certified, fit properly and in good condition with proper labeling intact.
- Personal motorcycles must be in good mechanical condition, properly tagged and insured.
- Attend the entire course and pass the "on-cycle" skill test.
- Pay the course registration fee to be officially enrolled in a course.
- [Registration](#) is available on line or in store.
